WHY BUSINESS IN THE UAE?

TAX ADVANTAGES

- 0% personal income tax
- No tax on dividends (in most cases)
- No capital gains tax (generally)
- Helps maximize profit retention compared to India

COMPETITIVE CORPORATE TAX

- 0% tax on profits up to AED 375,000
- 9% corporate tax above AED 375,000
- Qualifying Free Zone companies may enjoy 0% corporate tax

100% FOREIGN OWNERSHIP

- Full ownership permitted in most activities
- No mandatory local sponsor (Mainland & Free Zones)
- Complete operational and financial control

STRATEGIC GLOBAL LOCATION

- Gateway connecting Asia, Europe, and Africa
- Ideal for international trade and services
- Major business hubs: Dubai, Abu Dhabi, Sharjah

UAE RESIDENCE VISA BENEFITS

- Investor/Partner visa (typically 2–3 years)
- Ability to sponsor family members
- Enhanced global mobility and credibility

INTERNATIONAL BANKING ACCESS

- Multi-currency business accounts
- Strong global banking reputation
- Smooth international transactions

FREE ZONE ADVANTAGES

- 100% ownership
- 100% profit repatriation
- Cost-effective license packages
- No import/export duties within Free Zones

ENHANCED BUSINESS CREDIBILITY

- "UAE-based company" status boosts global trust
- Stronger brand positioning in international markets
- Easier access to Middle East clients and B2B partnerships

NO CURRENCY RESTRICTIONS

- Full repatriation of profits and capital
- No foreign exchange controls

IDEAL FOR BUSINESSES SUCH AS

- IT & Software Services
- Digital Marketing Agencies
- E-commerce Businesses
- Import/Export & Trading Companies
